

MYO

Cut and Stitch Creative.

Fresh. Sleek. Eclectic. Original. m.y.o.bag products reflect quality and style while capturing the authenticity of your brand. Have our team of creators work up a custom bag or accessory design in any shape or size - there's no limit to what we can do for you!

Seamless Execution.

At m.y.o.bag we cut, stitch, sew, print, embroider, deboss, dye, stretch, fold, and pack your ideas to life. Because we produce all items within the United States, we're able to create and construct your products quickly, efficiently, and while adhering to your deadlines. Visit our [contact page](#) to get in touch today.

It's In the Bag.

Patterned after your own creative vision, m.y.o.bag has the ability to develop a full range of unique soft goods. Let us integrate your signature brand image into attractive and useful products - purses, totes, luggage, coasters, wallets, aprons, and much more.

Want to be a standout? m.y.o.bag has got your brand covered! Got a few ideas brewing but need a little help fleshing out the creative? Talk to us, tell us your needs and then let us get to work on a striking product that is distinctly you. [Contact us](#) to get started today.

The Perfect Pouch.

An offshoot of [Focus Merchandising](#), m.y.o.bag has worked with clients of all sizes and budgets - from small businesses, to Fortune 500 corporations. We produce high quality goods for industries across the board - finance, cosmetics, entertainment, technology and many more. Let us deliver the right style of bag or accessory, for the occasion and the image you want to cultivate. Styles range from conservative to fashion-forward and everything in between.

Sew Much More.

Simply tell us your idea, timeframe and budgetary requirements. We'll put our creative design team to work on a one-of-a-kind carry bag or accessory. From luggage to cosmetic bags, kerchiefs to coasters, we custom design and expedite high quality cut-and-sew soft goods that are a true extension of your brand.

Need help choosing a design? No problem. m.y.o.bag invites you to explore our [design portfolio](#) so you can get a better idea of the broad range of styles we can develop for your company.
